

PINELOGUE

KATHY CATLETT

Thirty years ago, in the basement of a church building, a handful of children were brought together. Here, a school began. Not an ordinary school, but a school that based its teachings on the Bible. The teachers were all Christians with a dream. They wanted a school where their children would grow up knowing something more than just math, English, and science. They wanted a school where the children would learn about God. And from this dream, Christian Home and Bible School was begun. Today, spread out over a beautiful campus, the dream has ended in reality. You can feel the difference the moment you step onto the grounds. This is a school with more peace, love, and friendship than you'll find in most other schools. This school has a different, and much deeper, foundation. This is where children are taught the love of God. . .

*The Lord is my teacher. I shall not want. He maketh me to learn in
God's out-of-doors. He teacheth me by His written word. He
instructeth my soul.*

*He guideth me in the paths of true
knowledge for his name's sake.*

*Yea, when the day's task is done, and life's lessons have
been learned, I will fear no evil, for thou wilt be with
me, my Teacher and my Comforter still. Thou teachest
even my enemies to become pupils of the Great Teacher.
Thou leadest me gently from the known to the unknown.*

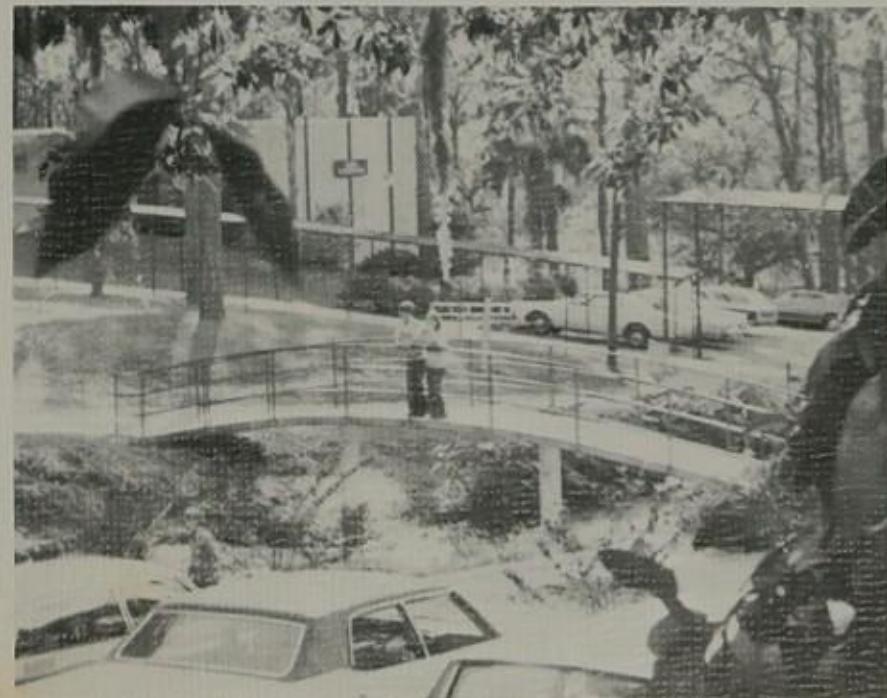

Thou givest me joy in my day's work.

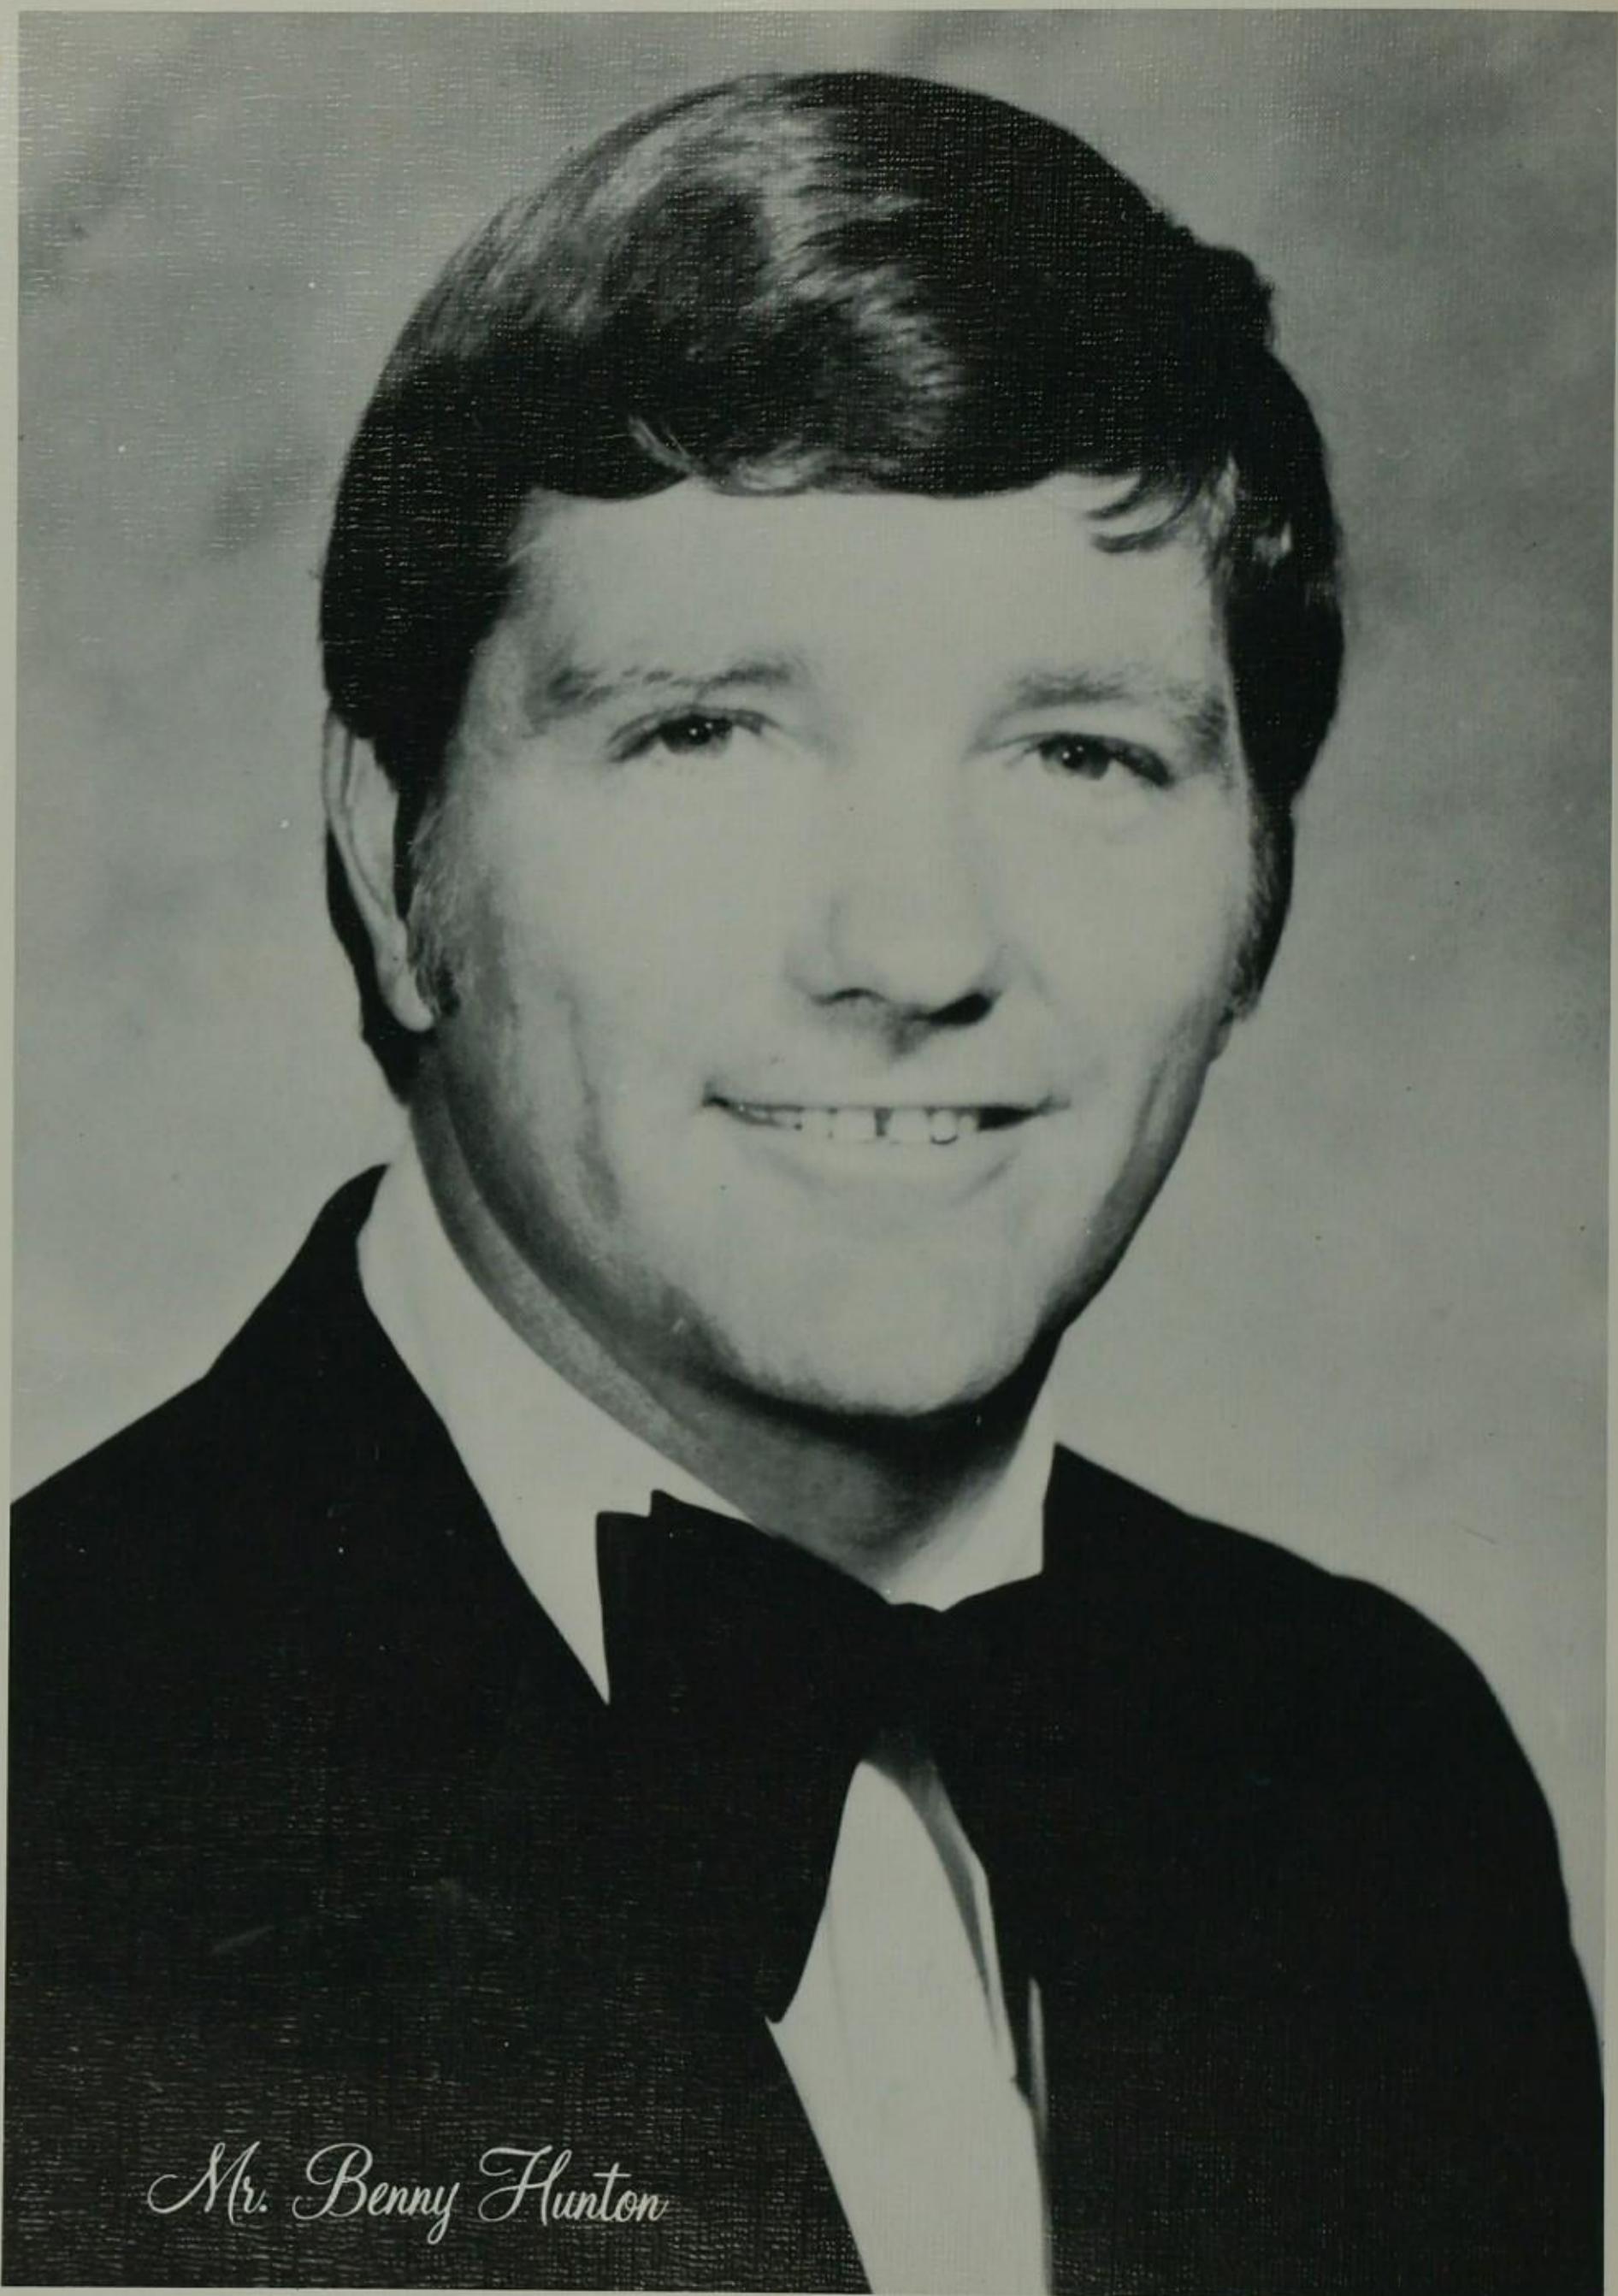

Surely goodness and mercy shall follow me all the days of my life, and I shall be a learner in the school of the Great Teacher forever.

Mr. Benny Hunton

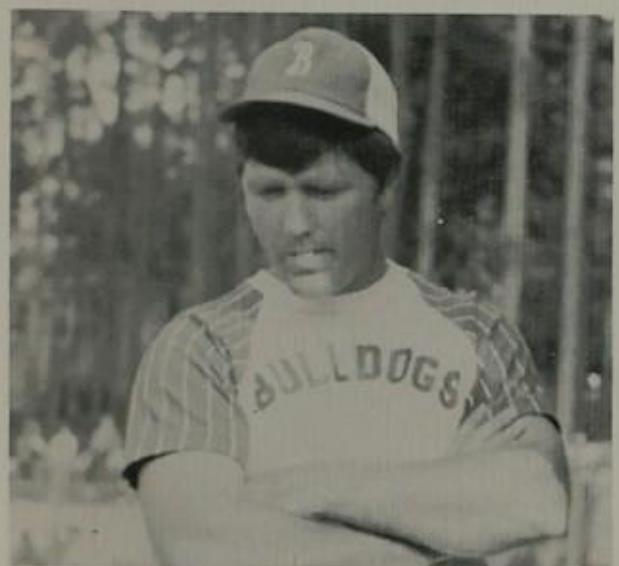

Dedication

Christian Home and Bible School was established thirty years ago with one basic principle in mind - to teach children the word of God, by instruction and example. This year, 1974-75, we would like to dedicate the Pinelogue to a man whom we feel has admirably accomplished just that.

He's a Godly man, a preacher of the Gospel of Christ. He's a serene man, one who never raises his voice in anger. He's a man who is always ready with a smile or an encouraging word. He's the kind of man who represents all that CH&BS stands for.

So, with those qualities in mind, we'd like to dedicate the 1974-75 Pinelogue to Mr. Benny Hunton, with love and a great deal of gratitude for his Christian services.

Alma Mater

*Underneath the whispering pine
trees.*

Dear 'ole At. Dora stands.

*Through the years of Christian
standards*

Built by Christian hands.

*Here we come to learn of Jesus
And His blessed will.*

*By His lasting love and
kindness;*

He will guide us still.

Bible school, dear Bible school,

How proud we are of thee.

Worthy of our Alma Mater.

May we ever be!

Thou wilt shew me the path of life: in thy presence is fullness of joy; at thy right hand there are pleasures for evermore.

Psalm 16:11

Mr. C.H. and B.S.

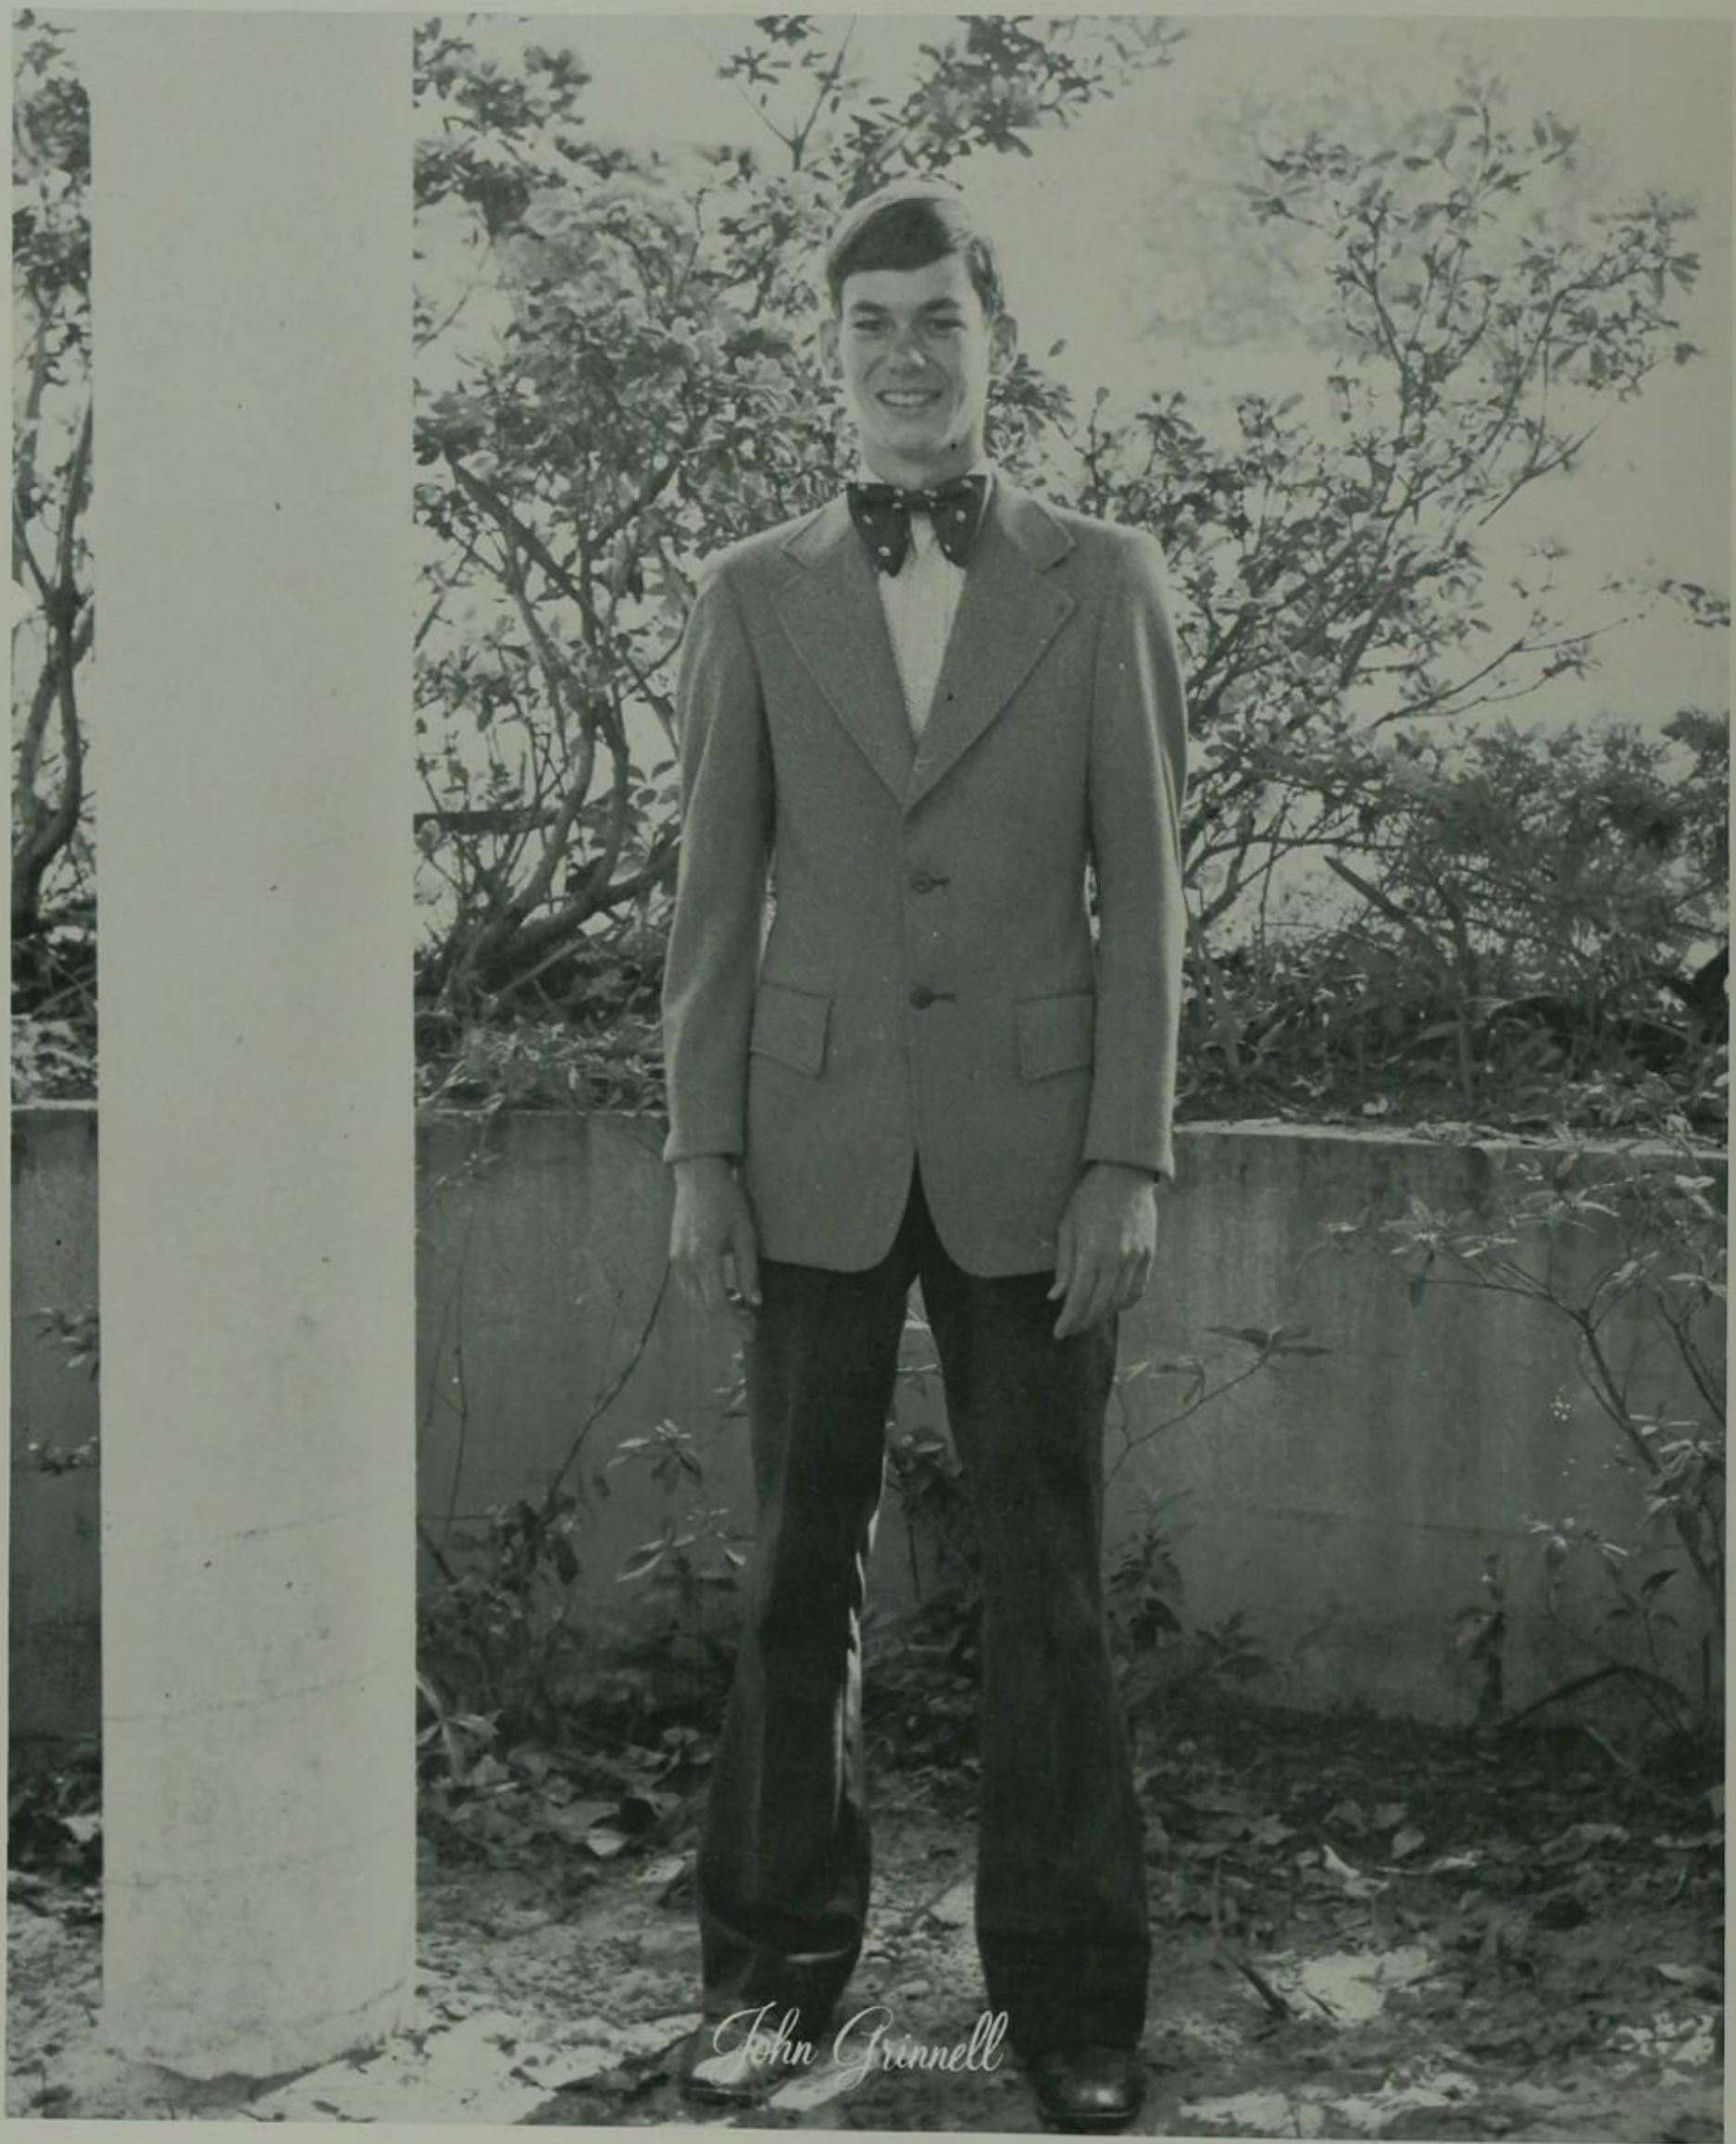

John Grinnell

Miss C.H. and B.S.

Teri Brown

Senior

If you hear someone yell "HI-YO!" from the other side of the campus it's probably John. Mr. C.H. and B.S. himself, he was also president of the Senior Class and recipient of the President's Award for outstanding senior athlete. "Radish King" is just an all-round super guy.

Superlatives

Sharon Kinard

She giggles when there doesn't seem to be anything funny. If you ever needed a little cheerfulness or a kind word to lift you up, Sharon was the person to go to. Statistician, member of the softball team, yearbook staff, volleyball and chorus, Sharon spread her good humor around in a lot of places.

Senior

Julie Stensstrom

Basically quiet, but subject to an occasional outburst of "Hi guy," Julie was a very versatile super-senior. From Homecoming Queen, to national recognition as an outstanding woman athlete, to Student Council Representative At-Large, she tried a little of everything and succeeded.

Teri Brown

The best way to describe her is Miss C.H. and B.S., for she was active in all phases of student life. Teri was everybody's friend, and her outgoing personality truly made her an exceptional senior.

Senior

Melanie Hunter

Her warm personality and great disposition are reflected in her friendship. As Copy Editor of the Yearbook, President of the Pep Club and Vice-President of the Senior Class, Melanie exhibited outstanding characteristics of a leader to make her a super-senior.

Superlatives

His enthusiasm sparked ideas in just about every club meeting on campus. Vice-President of Student Council, Business Manager of the Yearbook, one fourth of the tenor section in chorus and drama member, Steve's philosophic statements often kept things going when things began to get dull.

Graduation

On June 3, the senior class of 1975 donned caps and gowns and accepted their diplomas as the thirtieth graduating class of CH&BS. Following the ceremony, they attended a reception given in their honor by the faculty, then said a tearful, but happy, good-bye to their friends at Christian Home and Bible School.

The Child's Appeal

*I am the Child.
All the world waits for my coming.
All the earth watches with interest
to see what I shall become.
Civilization hangs in the balance.
for what I am the world of tomorrow will be.*

*I am the Child.
I have come into your world,
about which I know nothing.
Why I came I know not;
How I came I know not.
I am curious; I am interested.*

I am the Child.

You hold in your hand my destiny.

You determine, largely, whether I shall succeed or fall.

Give me, I pray you, those things that make for happiness.

Train me, I beg you, that I may be a blessing to the world.

Harding wants YOU in the picture

Here are some of the people who make up Harding's student body of 2,467 from 46 states and 19 foreign countries. There are musicians, athletes, pre-professional careerists, international personalities, future teachers, preachers and many more. And, there's a place especially for YOU. You'll find these and others working toward a common goal - people getting to know God.

DAVID LIPSCOMB COLLEGE

Is NOW Accepting Applications for
Summer and Fall Admission in 1975

REGULAR SUMMER QUARTER attendance for graduation in three years instead of four is "like adding a whole year to your life," one three-year graduate said. Few 1975 High School or Junior College Graduates can find summer jobs that will pay as well in the long run as will the time spent in Lipscomb's Summer Quarter, June 23 to August 23, 1975. Consider these advantages:

- Students who do not plan to go beyond the bachelor's degree can complete their programs in three calendar years, while others going on to graduate or professional schools can shorten their long preparation time by a full calendar year.
- The smaller summer student body makes possible the advantages of smaller classes and closer faculty and student re-

lationships, offering easier adjustment especially for beginning freshmen.

● Summer Quarter students receive preference in admission to fall classes, since they have the privilege of pre-registering for fall, and also in dormitory assignments for fall.

● Students who will be High School Seniors in the fall of 1975 may be accepted for freshman college courses in the Summer Quarter only, on recommendation of principal or guidance counselor if they rank in the upper 25 per cent of their junior classes with an overall average of at least *B*.

● Students who attend summer, fall, winter, and spring quarters each year still have eight weeks of vacation time.

The offices are normally open from 8 a.m. to 5 p.m., Monday through Friday. Calls received when the offices are closed will be recorded and given attention immediately on the next working day. When the Lipscomb operator answers, use the following guide to contact the proper person and ask for:

"Barefoot Bliss"

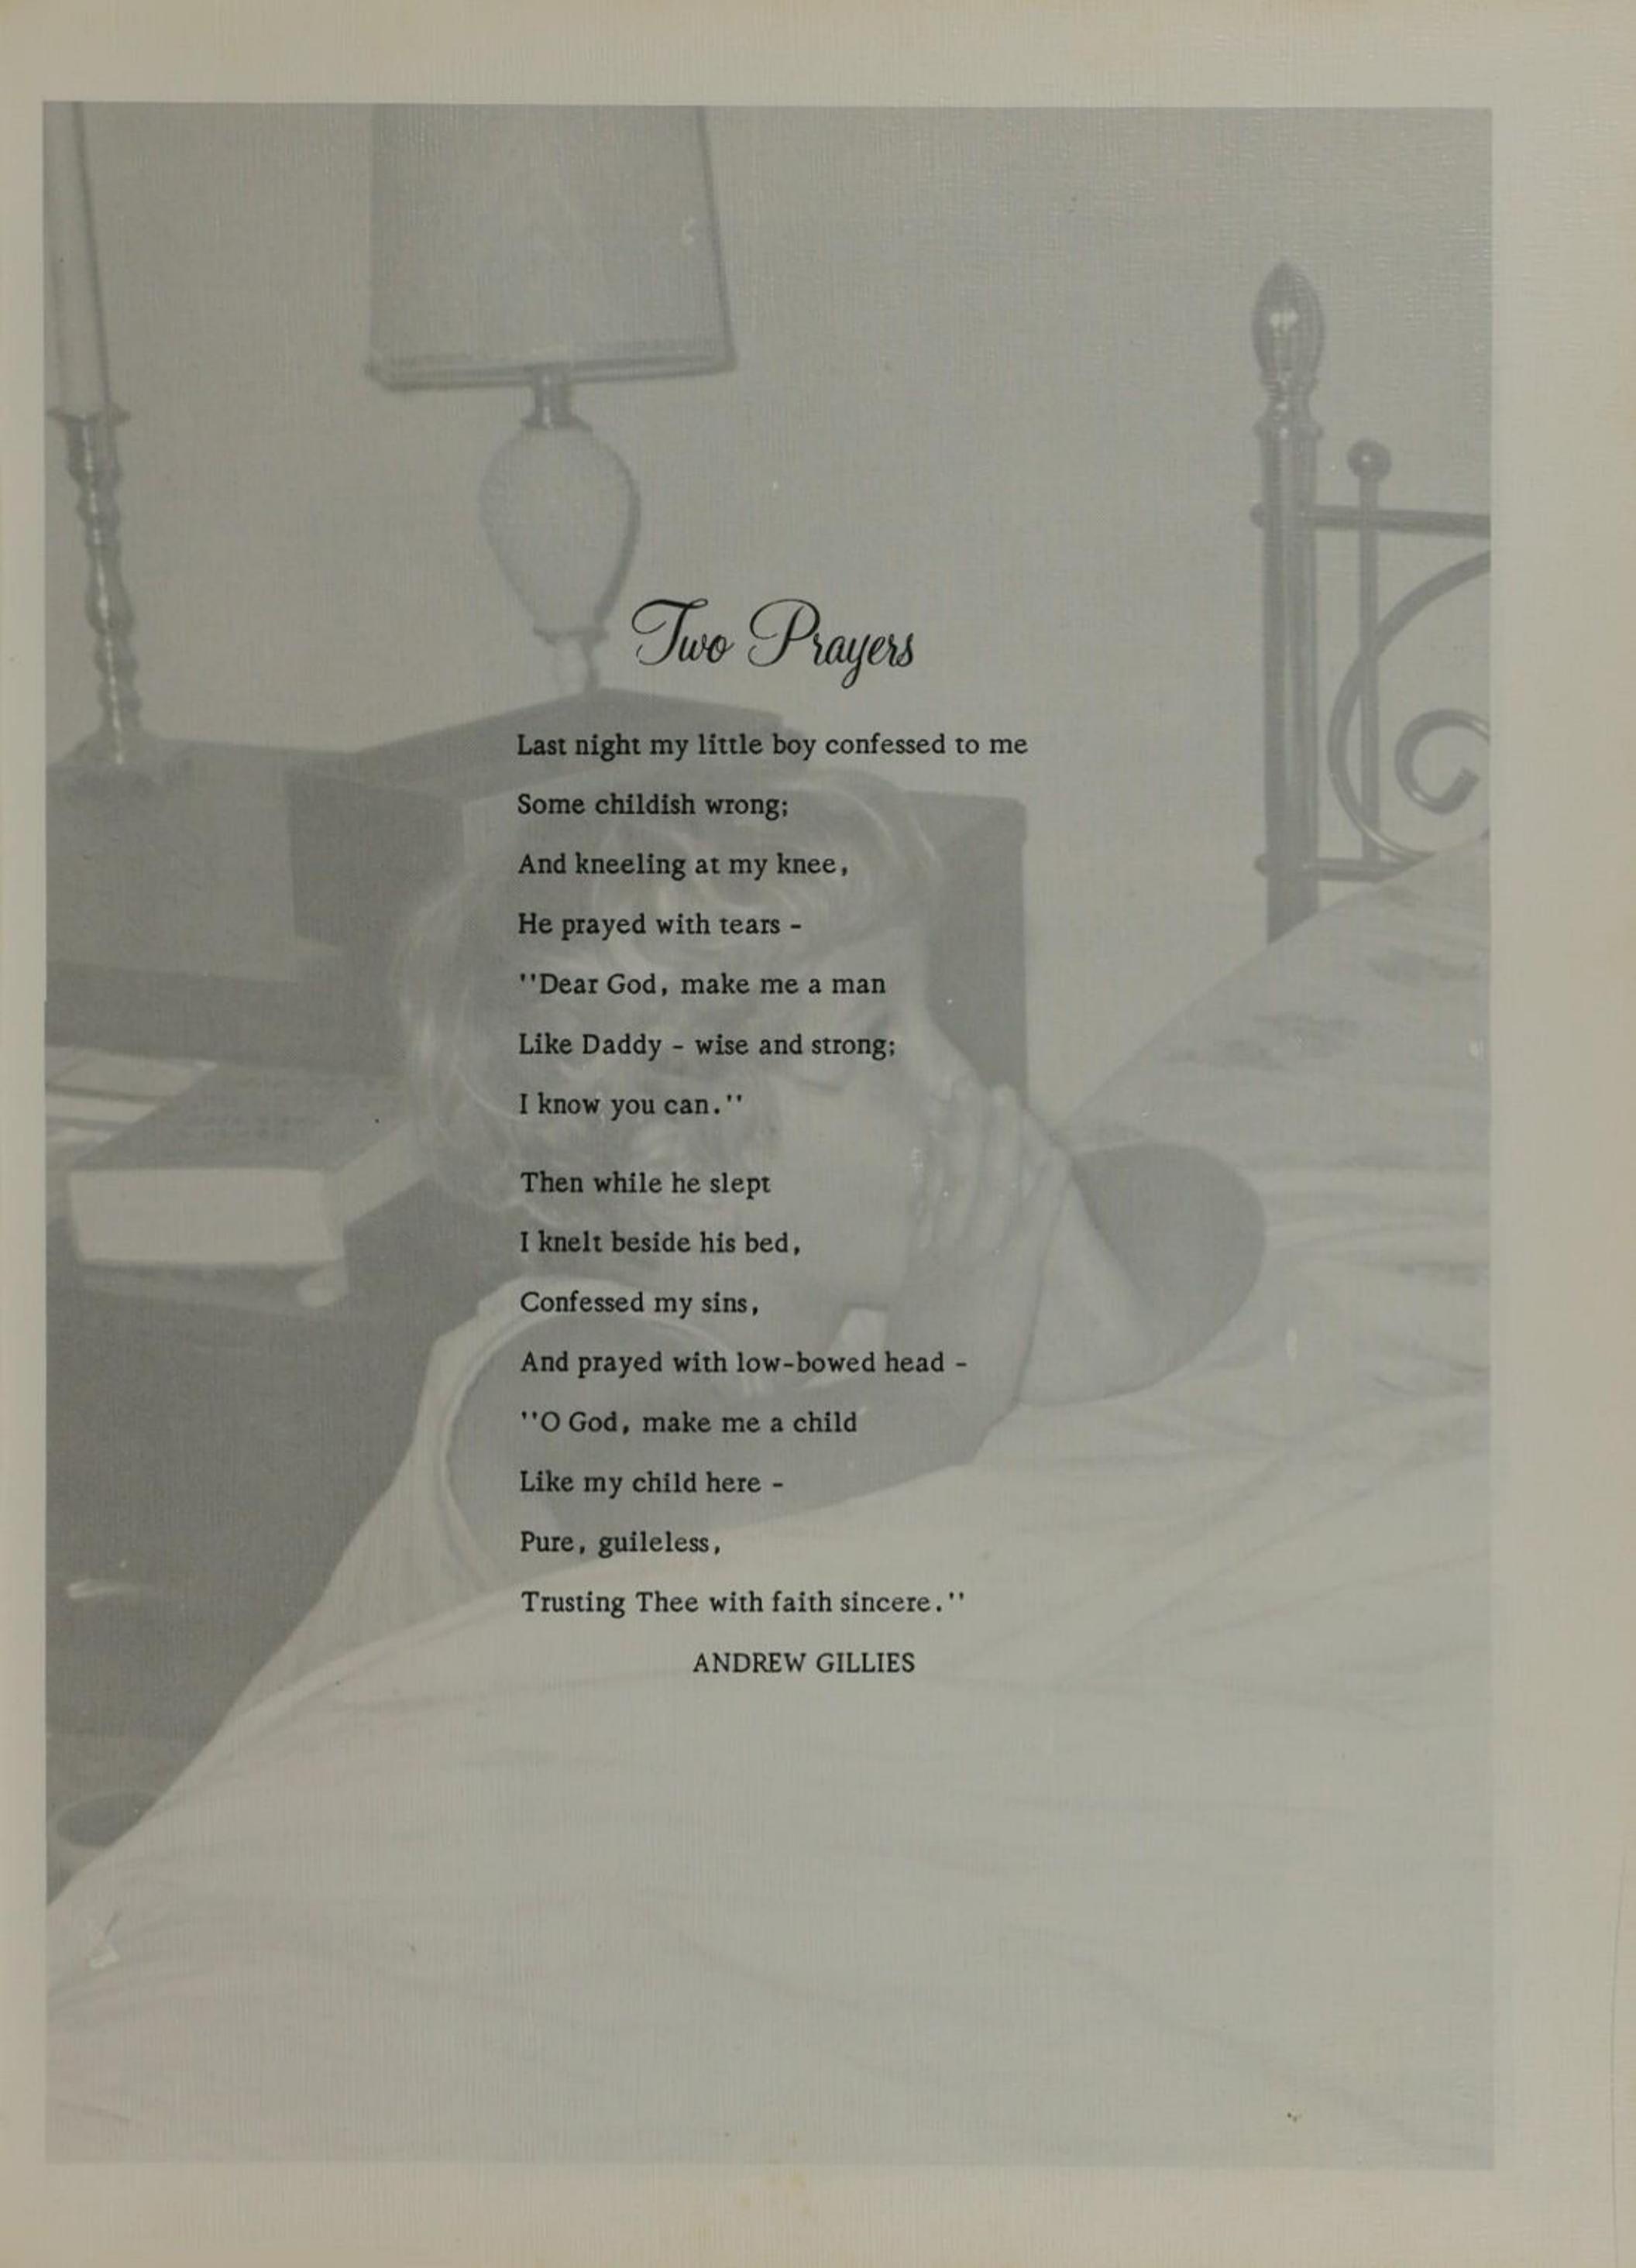

How's your love life?

Another boring day . . .

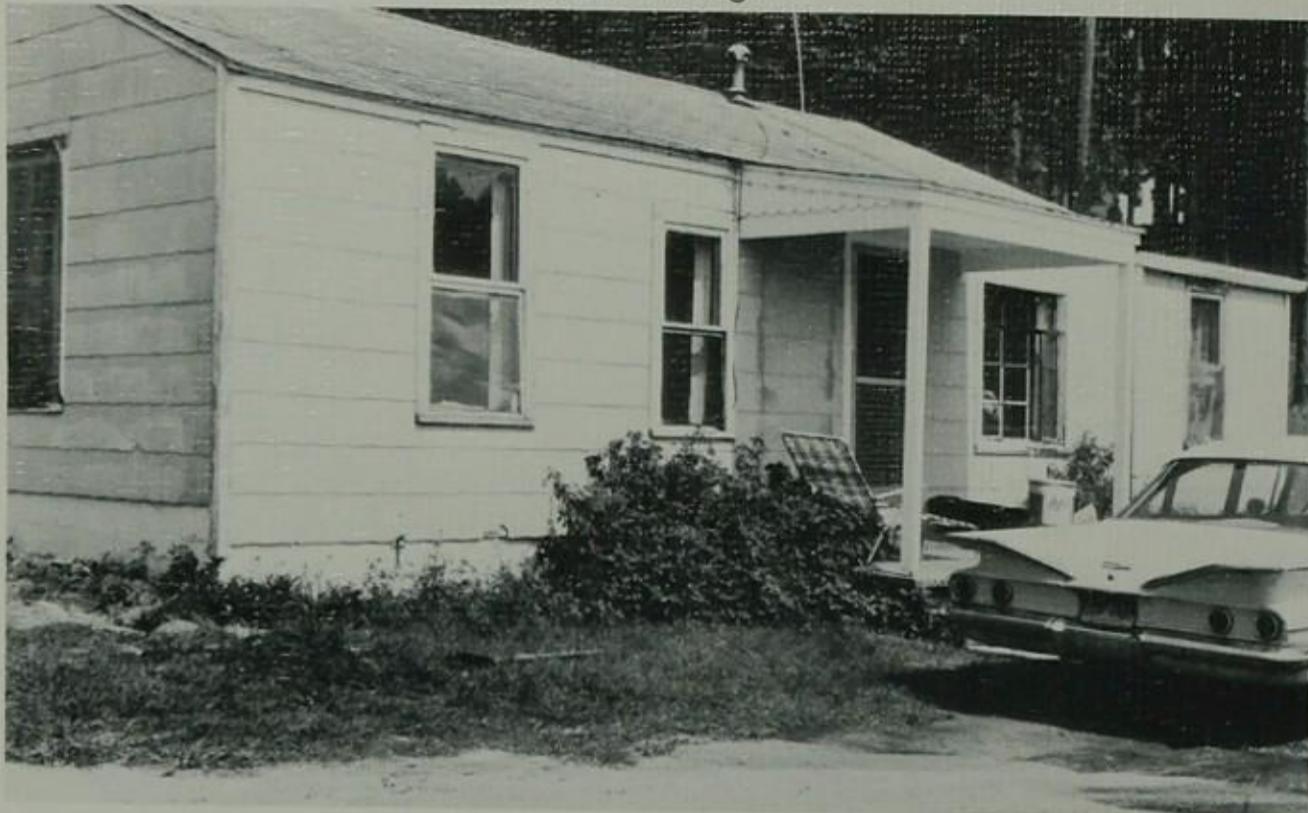

Two Prayers

Last night my little boy confessed to me
Some childish wrong;
And kneeling at my knee,
He prayed with tears -
"Dear God, make me a man
Like Daddy - wise and strong;
I know you can."

Then while he slept
I knelt beside his bed,
Confessed my sins,
And prayed with low-bowed head -
"O God, make me a child
Like my child here -
Pure, guileless,
Trusting Thee with faith sincere."
